

Two Line Dynamic Exhibit Stamps

Credits:

Many thanks to Karl Heinz Kremer who saw my original article and created a two-line version. I added some additional stamp options and renamed them the stamp so that they do not conflict with my original set of stamps.

Karl's original post is here: <http://khk.net/wordpress/2009/05/31/more-interactive-dynamic-stamps-in-seven-easy-steps/> You can visit Karl's website at:
<http://www.khk.net>

**This file must be installed to work!
Follow the instructions below.**

----- Installation -----

- 1) Quit Acrobat
- 2) Place this file in the Acrobat Stamps Folder
- 3) Restart Acrobat

----- Stamp Folder Locations for Acrobat 9 -----

Mac OSX

/Users/USERNAME/Library/Application Support/Adobe/Acrobat/9.0_x86/Stamps

WinXP

C:\Documents and Settings\USERNAME\Application Data\Adobe\Acrobat\9.0\Stamps

Win Vista or Win7

C:\Users\USERNAME\AppData\Roaming\Adobe\Acrobat\9.0\Stamps

----- Using the Dynamic Exhibit Stamp -----

- 1) Choose View> Toolbars> Comment and Markup
- 2) Click the Stamp Tool
- 3) Choose the Exhibit Stamp Category
- 4) Choose a stamp and click to place it on the document
- 5) Enter the Exhibit Number
- 6) The stamp will be placed on the document.
